

ORGANIZATIONAL ENDORSEMENT

An Endorsement of the Proposal for a Peace Tax Fund

We support the right of people conscientiously opposed to war to have their federal taxes redirected to a fund to be allocated exclusively for life-affirming purposes. We therefore call upon the Congress to pass the Religious Freedom Peace Tax Fund bill as soon as possible.

We encourage the efforts of the National Campaign for a Peace Tax Fund to gain Congressional support for, and passage of the Religious Freedom Peace Tax Fund bill. We hereby permit the public use of our name for this stated purpose. We reserve the right to inquire and question any specific activity and will convey any concerns we may have to the Board of Directors of the National Campaign for a Peace Tax Fund.
